Re: Updated Draft Preliminary Report

In response to the discussion at the December meeting we've updated the Preliminary Report with a summary of public concerns about the effects of a potential East Cambridge neighborhood conservation district. These changes can be seen on pp. 47-51 of the attached draft.

On January 19 we'll review the updated report, describe plans for neighborhood outreach, and review the revised proposal for a neighborhood poll. We'll also hear from committee members and members of the public.
